Personal Details

First name: Mohammad Reza

Surname: Maracy

Nationality: Iranian

Date of Birth: 17/09/1958

Position: Professor of Epidemiology

Occupation:

Lecturer at the Dept. of Epidemiology and Biostatistics, School of Health, Isfahan University of Medical Science, Iran since 2005.

Education:

BSc in Mathematics at the University of Isfahan, Iran, 1986

MSc in Bio-statistics at the University of Tehran, Iran, 1994

Ph.D. Student in Epidemiology at the University of Manchester, 2004

Research Experiences:

Design and analysis in medical research

Statistical Software SPSS, STATA, Mplus...

Consultation in epidemiology and statistical design and analysis

Study to estimate efficacy in a Randomized Controlled Trial

Study to estimate burden of disease

Study of covariance model in epidemiological research

Teaching:

Clinical Trial, Epidemiology, Biostatistics, and Research methods

Professional Responsibilities include:

Member of Behavioural Sciences Research Council Research Centre (2008-2011), Member of the Health System Research-HSR(2008-2012), Member of Psychosomatic Research Council Research Centre (2009-2012), Member of the editorial board of Research in the Behavioural Sciences journal (Jan/2010 – Sep/2012), Deputy Director of the Department of Epidemiology and Biostatistics (Oct/2010 – May/2014), Member of the editorial board of research in medical sciences journal (Oct/2011 – Sep/2012), Member of Research Council Centre for Environmental Research (Jan 2011–present), Member of the Board of Directors (Feb/2014-present), Member of the the specific committee of Board of Directors (Feb/2014-present), Deputy Health Vice-chancellor (Feb/2014 – December/2014), Member of improving child health committee (Feb/2014 – Jun/2015), Working Group on the assessment and improvement of university journals (Jun/2014 – Jun/2015), Member of issuance committee (December/2014 –present), Member of clinical research committee (January 2017-present), Head of editorial statistic section of IJNMR (January 2017-present), Director of the Department of Epidemiology and Biostatistics(2017- present), Head of school of Public Health (2017- present).
